## Further fixture times announced for Bundesliga and Bundesliga 2

DFL Deutsche Fußball Liga has released the exact schedule for the games on Matchday 30 for the Bundesliga and Bundesliga 2. With the fixtures for Matchdays 26-29 already having been set last week, a final agreement was still needed for Matchday 30. It has now been possible to schedule these matches.

In the Bundesliga, Matchday 30 will begin on Friday evening with the derby between VfL Bochum 1848 and Borussia Dortmund (28 April, 8:30 p.m. CEST). The matches scheduled for the Saturday will include the clash between the two UEFA Europa League participants 1. FC Union Berlin and Bayer 04 Leverkusen (29 April, 3:30 p.m. CEST).

In Bundesliga 2, the trio currently topping the table will all be on the road on Matchday 30: The current third-placed team, 1. FC Heidenheim 1846, will visit SpVgg Greuther Fürth on Friday 28 April (6:30 p.m. CEST), while second-placed Hamburger SV will travel to 1. FC Magdeburg on Saturday 29 April (1:00 p.m. CEST). Current table-toppers SV Darmstadt 98 will take on Holstein Kiel on Sunday 30 April (1:30 p.m. CEST).

The exact schedule for the remaining Bundesliga and Bundesliga 2 matches in the current 2022-23 season is expected to be announced in calendar week 12 (20-24 March), following the draw for the quarter finals of the UEFA club competitions.
