### Important accreditation information:

**PECIFICATIONS:** The standard audio broadcasters and IVR audio broadcasters can apply for their daily accreditations using this form via the respective home clubs.

**PROVISIONS:** With an accreditation as an employee or representative of an audio utilization company, it is permitted to report on the matches in acoustic form and to make audio recordings in accordance with the contractual agreements with DFL e.V.

**Accreditation on the match day does not entitle the holder to create stadium images using a smartphone, tablet or other suitable recording or recording devices and to use them for editorial and/or commercial purposes or to publish them in any other way, e.g. via private social media accounts, beyond the scope of the work and tasks associated with the respective scope of accreditation.** Taking along personal, professional technical equipment (e.g. photo and/or video camera), unless this is required to fulfill the task associated with the scope of accreditation, is not permitted and may be prohibited by the home club.

**DEADLINES:** The completed accreditation form, including its attachments, must be received by the respective home club by 3 p.m. at the latest on the previous Monday before weekend match days and by 3 p.m. at the latest on the Tuesday of the previous week before weekday match days (Tuesday/Wednesday). As a rule, accreditation will no longer be granted after the deadline. Special accreditation deadlines apply for relegation matches and the Supercup.

**LIABILITY:** The liability of DFL e.V., the DFL, Sportcast and the clubs, their representatives, employees and vicarious agents for damages suffered by the accredited media representatives is excluded, unless there is a breach, at least through negligence, of a material obligation incumbent on DFL e.V., the DFL, Sportcast and the clubs, their representatives, employees or vicarious agents or an obligation whose fulfillment is essential for the proper performance of the activities of the accredited media representatives in the stadium, or the damages are caused by gross negligence or intent. Mandatory statutory liability, in particular under the German Product Liability Act and for injury to life, limb and health, remains unaffected.
